

WHO WE ARE

Blue Bay specialises in the delivery of NDIS Support Coordination services because we believe focusing on doing one thing well, leads to the best outcomes for you.

We have a dedicated, small team of specialists, who are compassionate, caring, and experienced.

We want you to thrive and succeed and are committed to walking alongside you to achieve your goals.

WHAT WE PROVIDE

Blue Bay are Support Coordination experts who make navigating the NDIS look easy. Everyone in our team has extensive local knowledge and the experience to help you to navigate changes of circumstances, implement services, and find innovative solutions to achieving your goals.

We like to think outside the box to achieve better outcomes for you and your family, and we will happily provide assistance to support innovative, person-centred outcomes. We don't give up!

We offer both level 2 and level 3 Support Coordination services.

ABOUT ANITA

Anita has extensive knowledge and experience of NDIS, disability, mental health, child & family, housing & homelessness and family violence arenas.

Anita has over 25 years of industry experience with positions held ranging from direct front line roles to various leadership and Senior Management positions, including Board membership. This experience has given her a depth of knowledge of NDIS, which enables her to navigate the complexities with ease and advocate strongly for participants and their families.

Anita particularly enjoys working in partnership with participants, service providers and family members, to ensure they are provided all opportunities available to be involved in decisions impacting their lives.

Anita adopts the philosophy of "Kindness" which can be defined as loaning someone your strength instead of reminding them of their weaknesses.
