ABOUT KYLIE

I bring a unique blend of clinical insight and person-centered care to both Support Coordination and psychosocial recovery coaching. Grounded in my nursing experience and a compassionate focus on mental health, I have partnered with people to navigate community supports, fostering mental wellness and well-being.

I enjoy a good sense of humor and enjoy heading out to live comedy gigs. I live with my fur baby Derek (pug/bulldog) in Rosebud, Victoria. My favorite activities are spending time at the beach, watching fantasy movies, going to live music gigs and theme parks! I also enjoy travelling around Australia and my favorite place to visit is the Crystal Castle in Mullumbimby NSW.

I provide face-to-face support coordination in the Melbourne / Mornington Peninsula areas in Victoria and also provide remote Support Coordination services to other regions (Australia wide).
