WHO WE ARE

Blue Bay specialises in the delivery of NDIS Support Coordination services because we believe focusing on doing one thing well, leads to the best outcomes for you.

We have a dedicated team of specialists, who are compassionate, caring, and experienced.

We want you to thrive and succeed and are committed to walking alongside you to achieve your goals.

WHAT WE PROVIDE

Blue Bay are Support Coordination experts who make navigating the NDIS look easy. Everyone in our team has extensive local knowledge and the experience to help you to navigate changes of circumstances, implement services, and find innovative solutions to achieving your goals.

We like to think outside the box to achieve better outcomes for you and your family, and we will happily provide assistance to support innovative, person-centred outcomes. We don't give up!

We offer both level 2 and level 3 Support Coordination services.

ABOUT DEBBIE

Debbie has over 15 years' experience in disability and community services, providing both Support Coordination and Specialist Support Coordination. She supports participants with a broad range of needs, including intellectual disability, autism, psychosocial disability and complex behaviours.

Debbie works alongside participants, families and providers to navigate the NDIS and build supports that are practical, person-centred and aligned with individual goals. She has strong experience in complex situations, including service breakdowns, crisis responses, restrictive practice settings, housing pathways (SIL, SDA) and major transitions such as hospital discharge.

With valuable lived experience, Debbie brings a compassionate, grounded and solution-focused approach, supporting people to build independence, strengthen networks and exercise genuine choice and control.
