

WHO WE ARE

Blue Bay specialises in the delivery of NDIS Support Coordination services because we believe focusing on doing one thing well, leads to the best outcomes for you.

We have a dedicated, small team of specialists, who are compassionate, caring, and experienced.

We want you to thrive and succeed and are committed to walking alongside you to achieve your goals.

WHAT WE PROVIDE

Blue Bay are Support Coordination experts who make navigating the NDIS look easy. Everyone in our team has extensive local knowledge and the experience to help you to navigate changes of circumstances, end of plan reviews. We support you to link with services and find innovative solutions to achieving your goals.

We like to think outside the box to achieve better outcomes for you and your family, and we will happily provide assistance to support innovative, person-centred outcomes. We don't give up!

We offer both level 2 and level 3 Support Coordination and psychosocial coaching services.

ABOUT SUZY

I have been working as a Support Coordinator for over 6 years and have personal experience with a son on the Autism spectrum. I enjoy supporting people to achieve their goals.

In my own time I enjoy being in my garden, bushwalking, and spending time with my 2 dogs and 2 adult children.

I provide face-to-face support coordination in the Newcastle area in NSW and can provide remote Support Coordination services to other regions (Australia wide).

OTHER INTEREST AREAS

I enjoy supporting participants to achieve their home and living goals and working towards independent living.
