

NDIS Support Coordinator

NDIS Support Coordinator, Blue Bay Support Coordination

If you are looking for a subcontract position which includes flexible working hours, working from home, mentoring, team support, and higher rate per hour based on billable hours, then this role might be for you!

This is a remote, work from home position, with travel to participant homes or community spaces as required. Negotiable hourly rate, depending on experience. Level 2 Support Coordination \$70.34 per hour inclusive of superannuation. Level 3 Support Coordination (applicable with relevant experience and formal qualifications) is \$140.00 per hour inclusive of superannuation. A three-month probation period and expected ongoing contract if successful in role.

Blue Bay Support Coordination comprises a small, dedicated team of NDIS professionals. *Our vision is to continually strive to build genuinely authentic connections to ensure we are working in partnership with our participants to achieve their goals. We believe all people should have the opportunity to live the life they choose.*

To be successful in this role, you will be highly organised with excellent communication skills. You will be detail oriented and proficient at report writing. As this is a subcontractor's role, you will be a self-starter and able to problem solve and work independently. This role is likely to suit someone already working in the sector seeking a flexible work life balance.

You will be a respectful and professional communicator and be affirming of all people regardless of background and diversity.

Knowledge of National Disability Insurance Scheme and relevant legislation including the NDIS Act 2013 and Disability Act 2006 is desirable, otherwise cross transferable skills and knowledge and a willingness to learn.

Please refer to the position description for a detailed outline of the role on offer.
