

WHO WE ARE

Blue Bay specialises in the delivery of NDIS Support Coordination services because we believe focusing on doing one thing well, leads to the best outcomes for you.

We have a dedicated, small team of specialists, who are compassionate, caring, and experienced.

We want you to thrive and succeed and are committed to walking alongside you to achieve your goals.

WHAT WE PROVIDE

Blue Bay are Support Coordination experts who make navigating the NDIS look easy. Everyone in our team has extensive local knowledge and the experience to help you to navigate changes of circumstances, implement services, and find innovative solutions to achieving your goals.

We like to think outside the box to achieve better outcomes for you and your family, and we will happily provide assistance to support innovative, person-centred outcomes. We don't give up!

We offer both level 2 and level 3 Support Coordination services.

Bachelor Degree

ABOUT FRANKI

Franki is a dedicated and compassionate Support Coordinator with extensive personal experience in self-managing NDIS plans for two of her children, who are now reaching adulthood. Known for her calm, caring, and supportive approach, Franki brings a unique depth of understanding to her role, helping participants and their significant people navigate the NDIS with confidence. She also founded a successful carer support group in a regional area, which has thrived for over 15 years, demonstrating her commitment to community and peer support.

Alongside her work in the disability sector, Franki has a strong background in business administration, where she managed complex operations and client communications. This experience has equipped her with valuable skills in budgeting, service coordination, and compliance—making her an invaluable resource for participants who are looking to make the most of their NDIS plans.

Passionate about fostering independence and building capacity, Franki is dedicated to providing individualised, person-centred assistance to each participant she supports.
